Confidentiality Agreement

Confidentiality Agreement

Camp Cedar Illinois Inc. was founded to create an opportunity to help survivors of sexual abuse on their healing journey and to share about Jesus, and His love for each and every one of us. As such, it is imperative that each and every volunteer works together to create a safe environment for the children and adults who attend camp, foster an atmosphere of truth, joy, healing, and encouragement, while respecting and maintaining each other's privacy.

I, _____, understand the above, and I agree to maintain strict confidentiality regarding any and all information pertaining to the children and their families that I may come into contact with at Camp Cedar Illinois, Inc.'s training and/or camp, or otherwise involving cases as coordinated by their advocates or other service providers. The information I agree to keep confidential includes their identities and that they attended camp.
